

5227 Board of State and Community Corrections

The mission of the Board of State and Community Corrections (BSCC) is to provide statewide leadership, coordination, and technical assistance to promote effective state and local efforts and partnerships in California's adult and juvenile criminal justice system, including technical assistance and coordination to local governments related to 2011 public safety realignment. This mission reflects the principle of aligning fiscal policy and correctional practices, including prevention, intervention, suppression, and supervision. The goal is to promote a justice investment strategy that fits each county and is consistent with the integrated statewide goal of improved public safety through cost-effective, promising, and evidence-based strategies for managing criminal justice populations.

Because the Board of State and Community Corrections' programs drive a need for infrastructure investment, the Board has a capital outlay program to support this need. For the specifics on the Board's capital outlay program see "Infrastructure Overview."
