5225 Department of Corrections and Rehabilitation

The mission of the California Department of Corrections and Rehabilitation (CDCR) is to facilitate the successful reintegration of the individuals in its care back to their communities equipped with the tools to be drug-free, healthy, and employable members of society by providing education, treatment, rehabilitation, and restorative justice programs, all in a safe and humane environment.

CDCR is organized into the following programs:

- · Corrections and Rehabilitation Administration
- Peace Officer Selection and Employee Development
- Juvenile: Operations and Offender Programs; Academic and Vocational Education; Health Care Services
- Adult Corrections and Rehabilitation Operations: Security; Inmate Support; Contracted Facilities; Institution Administration
- Parole Operations: Adult Supervision; Adult Community Based Programs; Administration; Sex Offender Management Board and State Authorized Risk Assessment Tool for Sex Offenders Review Committee
- · Board of Parole Hearings: Adult Hearings; Administration
- Adult Rehabilitative Programs: Education; Cognitive Behavioral Intervention and Reentry Services; Inmate Activities; Administration
- Adult Health Care Services: Medical, Dental, and Mental Health Services; Ancillary Health Care Services; Medical, Dental, and Mental Health Services Administration

Because CDCR's programs drive a need for infrastructure investment, the Department has a capital outlay program to support this need. For the specifics on the Department's capital outlay program see "Infrastructure Overview."

MAJOR PROGRAM CHANGES

- Adult Incarcerated and Parolee Population—Compared to the 2021 Budget Act projections, the adult incarcerated average daily population is projected to decrease by 13,882 in 2021-22 and 10,540 in 2022-23, to a total of 99,590 and 102,932, respectively. The 2021-22 decline is primarily due to actions taken to reduce the prison population in response to the COVID-19 Pandemic, and the 2022-23 decline is due to anticipated reductions to intake in comparison to the 2021 Budget Act assumption. Compared to 2021 Budget Act projections, the average daily parolee population is projected to decrease by 842 in 2021-22, followed by a decrease by 4,220 parolees in 2022-23, totaling 53,373 and 49,495, respectively. The decline in 2022-23 is related to an overall decrease in the incarcerated population and shorter parole terms. When compared to the projected average daily population at the 2021 Budget Act, these changes result in a decrease of \$102.9 million General Fund in 2021-22, and a decrease of \$100.6 million General Fund in 2022-23.
- Division of Juvenile Justice (DJJ) Population—Compared to the 2021 Budget Act projections, the 2022 Budget Act estimates an average daily population of 641 youth in 2021-22 and 430 youth in 2022-23, which represents an increase of 28 youth in 2021-22 and a decrease of 183 youth in 2022-23. Consistent with Chapter 337, Statutes of 2020 (SB 823), and Chapter 18, Statutes of 2021 (SB 92), DJJ is scheduled to close on June 30, 2023. Accordingly, the Budget reflects a decrease of \$4.2 million General Fund in 2021-22 and a decrease of \$25.8 million in 2022-23.
- Adult Medical and Pharmaceutical Programs—Compared to the 2021 Budget Act projections, the population utilized for the purposes of the Medical Classification Model is projected to decrease by 5,457 in 2021-22, and decrease by 3,187 in 2022-23, for totals of 96,270 and 98,540, respectively. Based on the current Medical Classification Model staffing ratios, these changes will result in a decrease of \$5 million General Fund in 2021-22 and \$1.3 million General Fund in 2022-23. Based on current pharmaceutical cost projections, the Budget also includes decreases of \$14.9 million General Fund in 2021-22 and \$17.9 million General Fund in 2022-23.
- Mental Health Program—Compared to the 2021 Budget Act projections, the population requiring outpatient mental health treatment is projected to increase by 2,694 in 2021-22 and 3,838 in 2022-23, for totals of 30,798 and 31,942, respectively. These changes result in increases of \$19.8 million General Fund in 2021-22 and \$28.6 million General Fund in 2022-23.

- COVID-19 Direct Response Expenditures—The Budget includes a total of \$240.1 million one-time in 2022-23 (\$198.9 million General Fund and \$41.2 million in reimbursement authority) to fund direct response costs associated with preventing, mitigating, and responding to the impacts of the COVID-19 Pandemic.
- Integrated Substance Use Disorder Treatment (ISUDT) Program Expansion and Enhancements—The Budget includes \$126.6 million General Fund in 2022-23, and \$162.5 million ongoing, to expand the ISUDT Program and enhance the Department's ability to treat individuals with substance use disorders.
- Returning Home Well—The Budget includes \$10.6 million General Fund annually for three years for CDCR to continue the Returning Home Well Program, which was initiated in response to the COVID-19 Pandemic. This program provides transitional housing services to individuals who may otherwise be at risk of being unhoused at the time of their release.
- Bachelor's Degree Expansion—The Budget includes \$5 million General Fund in 2022-23, and \$4.7 million ongoing, to
 permanently fund Bachelor's Degree Programs at seven institutions in collaboration with the California State University
 system. These programs will be available to students upon successful completion of their community college programs and
 will enable them to further prepare to enter the workforce and find gainful employment upon their release from prison.
- Rehabilitative Programming Support—The Budget includes \$3.9 million General Fund in 2022-23, and \$4.6 million ongoing, to support and track Nursing Led Therapeutic Groups and Inmate Activity Groups. These resources will enable CDCR to expand rehabilitative programs in the evenings and on weekends.
- Tattoo Removal Program—The Budget includes \$567,000 General Fund in 2022-23, and \$1.1 million through 2025-26, to
 provide tattoo removal services to incarcerated persons preparing for release or leaving prison gangs. These resources will
 enable CDCR to offer tattoo removal services at all institutions.
- Staff Misconduct Investigation Expansion—The Budget includes \$34.4 million in 2022-23, and \$34 million ongoing, to support implementation of the new process by which CDCR will address complaints filed by incarcerated individuals that involve allegations of staff misconduct.
- Thorough Investigations and Progressive Discipline of Employee Misconduct—The Budget includes \$6.2 million General Fund in 2022-23, growing to \$11.7 million in 2025-26 and ongoing, to support the Department's ability to conduct thorough investigations within the context of its existing Central Intake process and to strengthen its disciplinary procedures.
- Statewide Correctional Video Surveillance Continuation—The Budget includes \$97.6 million General Fund in 2022-23, and \$7.8 million ongoing, to install fixed camera systems at ten additional institutions, and deploy body-worn cameras at four additional institutions.
- eDiscovery Platform, Redaction, and Delivery—The Budget includes \$19.5 million General Fund in 2022-23, and \$1.4 million
 ongoing, for CDCR to procure new technology to support implementation of the new camera systems and to enable the
 Department to more effectively manage and store data and information.
- Cellular Interdiction Program—The Budget includes \$12.6 million General Fund in 2022-23, decreasing to \$1.7 million in 2024-25 and ongoing, to establish the Enhanced Managed Access System at 20 institutions, which will block contraband cell phone use by incarcerated persons.
- Software End User Licensing Agreement Costs—The Budget includes \$11.5 million General Fund in 2022-23, \$16.1 million in 2023-24, and \$17.5 million in 2024-25 and ongoing for costs associated with a new statewide software contract for CDCR and California Correctional Health Care Services (CCHCS).
- Redaction Workload (SB 16)—The Budget includes \$1.1 million General Fund annually for two years to implement the
 provisions of Chapter 402, Statutes of 2021 (SB 16), related to producing responsive redacted records for specified incidents
 involving peace officers.
- Security Solutions and Laptop Security End User Licenses—The Budget includes \$4.4 million General Fund in 2022-23, and \$5.2 million ongoing, to enhance CDCR's security capabilities to enable the Department to proactively address cyber security risks and protect privileged information. This also includes resources to support security software licenses for 37,000 thin-client laptops being issued to incarcerated persons as authorized in the 2021 Budget Act.
- Privacy Office Enhancements—The Budget includes \$2.1 million ongoing General Fund to enhance CCHCS' ability to
 protect confidential health records and personally identifiable information and proactively respond to cybersecurity events
 and other risk factors.
- Hepatitis C Funding Augmentation—The Budget includes \$47.1 million General Fund in 2022-23, \$76.3 million in 2023-24, and \$40.4 million in 2024-25, to treat Hepatitis C patients.
- CalAIM Justice-Involved Initiative—The Budget includes \$10.6 million ongoing (\$5.3 million General Fund and \$5.3 million in reimbursement authority) for the Department to implement California Advancing and Innovating Medi-Cal (CalAIM) services and supports for justice-involved adults, as required by statute. Additionally, the Budget includes a shift of \$7.6 million in 2022-23, growing to \$35.2 million in fiscal year 2026-27 and ongoing, from the General Fund to reimbursements to reflect increased federal funding that is anticipated to become available to the state for covered services under CalAIM.

* Dollars in thousands, except in Salary Range. Numbers may not add or match to other statements due to rounding of budget details.

- Mental Health Data Analytics and Informatics—The Budget includes \$3.1 million ongoing General Fund to expand the Statewide Mental Health Program to support improved data verification and validation functions to assist with measuring performance. These resources will enable CDCR and CCHCS to respond to additional reporting requirements and data validation tasks in conjunction with the *Coleman* litigation.
- Parole Staff—The Budget includes \$4.9 million ongoing General Fund to update the ratio formulas for parole supervision and clinical staffing allocations to enhance health and reentry services for individuals on parole.
- Light Duty and Modified Work Assignments Continuation—The Budget includes \$9.5 million ongoing General Fund to
 continue providing temporary modified work assignments for staff with medical conditions. This program was established in
 the 2020 Budget Act with temporary resources.
- Class Action Lawsuit Staff—The Budget includes \$2.3 million ongoing General Fund for staff to assist with class action lawsuits, which have increased in both quantity and complexity in recent years.
- Expansion of Victim Support Services—The Budget includes position authority for six additional staff for the Office of Victim and Survivor Rights Services to serve victims of crime and collect and distribute restitution payments.
- Roof Replacement Design and Construction—The Budget includes \$2 million General Fund in 2022-23, and \$71 million in 2023-24, for roof replacements at the California Institution for Men and the California Medical Facility. These resources continue the broad, multiyear plan to replace aging and deteriorating roofs across the state prison system.
- Americans with Disabilities Act Facility Improvements—The Budget includes \$22.2 million one-time General Fund to complete accessibility improvements at the California Institution for Men; the California Institution for Women; the California State Prison, Los Angeles County; and the Richard J. Donovan Correctional Facility.
- Americans with Disabilities Act Staffing—The Budget includes \$2.6 million General Fund in 2022-23, and \$2.7 million
 ongoing, for staff to manage increasing workload associated with disabled individuals as the incarcerated population
 continues to age.
- Utilities and Waste Removal Funding Methodology—The Budget includes \$29.2 million ongoing General Fund to align funding with actual expenditures that will be adjusted annually using the Consumer Price Index.
- CalPIA Janitorial Funding Augmentation—The Budget includes \$8.6 million General Fund in 2022-23, and \$10.5 million
 ongoing, to expand California Prison Industry Authority janitorial services to space constructed through the Health Care
 Facility Improvement Program and to add supervisory staff.
- Reimagining Condemned Housing—The Budget includes \$500,000 one-time General Fund to engage in a consulting contract to propose options for repurposing areas previously used for housing the condemned population.
- Data Collection and Evaluation—The Budget includes \$6 million one-time General Fund to perform a two-year analysis on
 outcomes of individuals released from prison.
- Expanding Community Reentry Programming—The Budget includes \$40 million General Fund annually over three years to support an expansion of CDCR's community reentry programs.
- Transformative In-Prison Capacity Building Grant: CBO Programming in Prisons—The Budget includes \$20 million one-time General Fund to establish the Rehabilitative Investment Grants for Healing and Transformation Program to enhance the capacity of community-based, non-profit organizations to provide in-prison programming.
- Designing Creative Futures—The Budget includes \$3 million one-time General Fund to implement a creative workforce job training and employment program for formerly incarcerated individuals.
- Restorative Justice Programming—The Budget includes \$4 million General Fund in 2022-23 and 2023-24, and \$2 million General Fund in 2024-25, to support restorative justice programming in CDCR prisons.
- Veterans Healing Veterans: Veterans Hub and Correctional Training Facility—The Budget includes \$4.1 million one-time General Fund to support Veterans Healing Veterans Hub, a division of the Veterans Transition Center, located in the Correctional Training Facility.

¹ California City Correctional Facility moved from Community Correctional Centers/Facilities to Institutions.

² Male Community Reentry Program and incarcerated persons at the Department of State Hospitals have been removed from the Institutions section.

³ Reflects total General Fund, including Prop 98, California Emergency Relief Fund, Federal Funds, and Reimbursements.

⁴ Excludes employees and costs of Inmate Welfare Fund and local assistance.

⁵ Includes camp operations and the cost of operating reception centers.

⁶ Excludes lease payments and lease reimbursements.

⁷ Includes overtime costs and personnel year equivalents.

⁸ ADP figures include high control parolees-at-large and alternative custody placements.

⁹ Community Prison Mother Program has been removed from the Community Correctional Facilities section.

¹⁰Administrative costs are incorporated in the development of the per capita cost.

¹¹ Increase in per capita for juvenile justice facilities in 2022-23 is the result of the continued decline of the Division of Juvenile Justice (DJJ) population along with maintaining operations through closure. DJJ ceased intake of youth, with limited exception, on July 1, 2021, and will close on June 30, 2023.

PROGRAM DESCRIPTIONS

4500 - CORRECTIONS AND REHABILITATION ADMINISTRATION

The objective of the Corrections and Rehabilitation Administration program is to provide policy direction, accountability, administrative oversight, and support for the overall success of all adult and juvenile correctional and rehabilitation programs. The program consists of the Office of the Secretary; Legislative Affairs; Public and Employee Communications; Internal Affairs; Audits and Court Compliance; Victim and Survivor Rights and Services; Support Services; Enterprise Information Services; Labor Relations, Regulations and Policy; Research; Legal Affairs; Leasing and Facility Management; Appeals; and the Office of the Ombudsman.

4505 - PEACE OFFICER SELECTION AND EMPLOYEE DEVELOPMENT

The Peace Officer Selection and Employee Development program is responsible for planning, organizing, analyzing, and managing peace officer selection through the recruitment, application, testing, background investigation, and medical/ psychological screening processes. The program is also responsible for academy training and employee development for all departmental staff.

4510 - DEPARTMENT OF JUSTICE LEGAL SERVICES

The objective of the Department of Justice Legal Services program is to provide transparency for the cost of legal services provided by the Department of Justice to CDCR.

4515 - JUVENILE OPERATIONS AND JUVENILE OFFENDER PROGRAMS

The Department accepts commitments from California courts when the person to be committed meets age requirements, can materially benefit from institutional programs, and if there are adequate facilities available to care for the individual.

The objective of the Juvenile Operations and Juvenile Offender program is to operate safe and secure juvenile facilities and perform tasks related to routine day-to-day operations of the facilities and camp, including, feeding, clothing, and facility operations. In addition, this program provides staff training, incarcerated youth intake and court services, population management services, facility maintenance, and maintains incarcerated youth master files. This program currently oversees operations for three facilities and one conservation camp.

Treatment programs begin with diagnostic studies, program assignment, objective setting and progress evaluation, and post release planning for each incarcerated youth. Based on the results of this process, various counseling and evidence-based treatment programs are recommended, including mental health and other cognitive behavior programs (i.e., anger interruption therapy, sex offender treatment, general population outpatient services, and substance abuse treatment programs), camp programs, and work employability programs. These evidence-based programs are designed to promote positive social behavior and reduce recidivism and relapse.

4520 - JUVENILE ACADEMIC AND VOCATIONAL EDUCATION

The Education Services Branch of the Division of Juvenile Justice operates as a local education agency known as the California Education Authority. Its mission is to empower each student to become a civil, responsible, employable, and knowledgeable lifelong learner for successful transition to the community upon release.

The Juvenile Academic and Vocational Education programs are accredited by the Western Association of Schools and Colleges and include core academic and career/technical preparation high school courses, general education development preparation, basic skills enhancement, and college preparation. All students must meet the California Common Core State Standards and earn the appropriate number of course credits to graduate. Supplemental services include special education, English learner services, basic skills enhancement, library services, character development courses, and high school credit for work experience.

4525 - JUVENILE HEALTH CARE SERVICES

The objective of the Juvenile Health Care Services program is to provide medical, dental, and mental health care consistent with adopted standards for the quality and scope of services within a custodial environment. The program strives to achieve this mission by providing cost-effective, timely, and competent care. In addition, Juvenile Health Care Services is responsible for overseeing and implementing the Integrated Behavioral Treatment Model, which uses evidence-based principles of a cognitive behavioral treatment program to guide the development of the best program for the unique needs of the youth and young adult population.

4530 - ADULT CORRECTIONS AND REHABILITATION OPERATIONS - GENERAL SECURITY

CDCR is required by statute to accept convicted felons from California courts when their sentence is imprisonment in a state correctional facility. The objective of the Adult Corrections and Rehabilitation Operations - General Security program is to provide safe and secure detention facilities to protect public safety. This program consists of 33 correctional institutions, three of which have reception centers, one leased facility, and 34 conservation camps. The Deuel Vocational Institution closed on

September 30, 2021. This program also identifies custody overtime expenditures associated with housing, guarding, and transporting incarcerated people.

4540 - ADULT CORRECTIONS AND REHABILITATION OPERATIONS - INMATE SUPPORT

The objective of the Adult Corrections and Rehabilitation Operations - Inmate Support program is to provide necessary services to incarcerated people such as feeding, clothing, record keeping, and classification assessments at 33 correctional institutions, three of which have reception centers, one leased facility, and 34 conservation camps. The camps perform public conservation projects including, but not limited to, forest fire prevention, watershed management, and soil conservation. The Deuel Vocational Institution closed on September 30, 2021.

4545 - ADULT CORRECTIONS AND REHABILITATION OPERATIONS - CONTRACTED FACILITIES

The objective of the Adult Corrections and Rehabilitation Operations - Contracted Facilities program is to provide meaningful rehabilitative programs in the least restrictive housing to prepare for successful reintegration back to the community. These facilities are the Community Correctional Facilities, Community Reentry Facilities, and Community Prisoner Mother Program. The final Community Correctional Facility closed on May 30, 2021.

4550 - ADULT CORRECTIONS AND REHABILITATION OPERATIONS - INSTITUTION ADMINISTRATION

The Adult Corrections and Rehabilitation Operations - Institution Administration program is responsible for the management and operation of 33 adult institutions, three of which have reception centers, one leased facility, and 34 conservation camps. The Deuel Vocational Institution closed on September 30, 2021. The program is responsible for improving institution programming and operations. This program is also responsible for providing facility maintenance, asset management, and construction services for CDCR's adult facilities and other closed properties. In addition, the Office of Correctional Safety facilitates institution and public safety via security threat group management, escapee apprehension, major criminal investigations, and critical incident response training.

4555 - PAROLE OPERATIONS - ADULT SUPERVISION

The objective of the Parole Operations - Adult Supervision program is to improve public safety by increasing the rate and degree of successful reintegration and release to society of incarcerated people paroled from state prison. The program is responsible for providing direct supervision, surveillance, and necessary apprehension of the state's parolee population. The main components of supervision utilize the California Parole Supervision and Reintegration Model, which incorporates evidence-based practices into the Division of Adult Parole Operations' supervision strategies to elicit long-term behavioral change to reduce recidivism. Standard and specialized caseloads and the degree of supervision are determined by case factors related to the incarcerated person's risk and current service needs. Case supervision, reassessment, and reclassification are regularly scheduled based on parolee behavior and stability in the community. Other components of supervision include the Sex Offender Management Program, which incorporates the containment model strategy as required by statute, and Global Positioning System (GPS) monitoring for all sex offenders.

The other integral program component is the Community Transition Program, which conducts pre-release assessments and services in each prison and includes the identification of parolee needs to match them with state and local programs to support successful transition into local communities.

4560 - PAROLE OPERATIONS - ADULT COMMUNITY BASED PROGRAMS

Rehabilitative Programs and Parole Operations - Adult Community Based Programs utilize a variety of rehabilitative and reentry assistance programs designed to promote successful reintegration of parolees while protecting public safety. These programs include, but are not limited to, referrals and linkages to Transitional and Emergency Housing, and Day Reporting Centers. Other services include enrollment into Pre-Employment and Transitional Work Programs, Cognitive Behavioral Treatment and interventions, Substance Use Disorder Treatment, and other wraparound services. The program includes a full continuum of transitional programs, including the Transitional Case Management Program and sex offender treatment for all sex offenders on parole.

The program also provides mental health services and treatment to parolees through CDCR's community-based Behavioral Health Reintegration program, which provides transitional mental health treatment, case management and crisis intervention. The objective of these services is to reduce gaps in treatment after release from incarceration pending sustainable linkage to alternative service providers and necessary resources in the community.

4565 - PAROLE OPERATIONS - ADULT ADMINISTRATION

The Parole Operations - Adult Administration provides administration and support functions such as business services, contracts, budgeting, and personnel for all programs and staff. The program also includes the leasing of office space, internet/ data infrastructure, and utilities for the parole units throughout the state. Also in this program, separate from the Division of Adult Parole Operations, the Office of Correctional Safety investigates and apprehends fugitive parolees suspected of committing serious or violent crimes.

4570 - CALIFORNIA SEX OFFENDER MANAGEMENT BOARD/STATE AUTHORIZED RISK ASSESSMENT TOOL FOR SEX OFFENDERS

The objective of the California Sex Offender Management Board is to promote public safety through research and certification of providers and programs to assure they are using evidence-based practices in treating sex offenders. The objective of the State Authorized Risk Assessment Tool for Sex Offenders Committee is to select and train providers on the best evidence-based risk assessment tools in the treatment of sex offenders.

4575 - BOARD OF PAROLE HEARINGS - ADULT HEARINGS

The objective of the Board of Parole Hearings - Adult Hearings is to promote public safety through fair parole processes and decisions, and to provide the required due process to incarcerated persons throughout the hearing process.

The Board conducts parole suitability hearings for a variety of incarcerated persons sentenced to lengthy prison terms to determine if they should be released from prison. These hearings include individuals sentenced to life with the possibility of parole once they have served a certain amount of time based on the sentence; incarcerated persons sentenced to life with the possibility of parole for a nonviolent offense under an alternative sentencing scheme, such as the state's Three Strikes Law, once they have served a certain amount of time based on their commitment offense; incarcerated persons who were under the age of 26 at the time of their offense, who have served a minimum of 15, 20, or 25 years of continuous incarceration, depending on the sentence, and who are eligible for an incarcerated youth hearing; and incarcerated persons eligible for the Elderly Parole Program.

The Board also conducts medical parole hearings, hearings for certain parole violators, and determines whether parolees should be discharged from parole. Screenings are conducted for offenders with mental health disorders and sexually violent predators, and subsequent hearing referrals are made to the Department of State Hospitals for mental health treatment. In addition, at the Governor's request, the Board investigates applications and forwards recommendations for pardons, reprieves and commutations of sentence, including those involving the death penalty. It also has the discretion to recommend to the court that an incarcerated person's sentence be recalled due to the incarcerated person's significant health condition.

For incarcerated youth, the Board of Juvenile Hearings is responsible for discharges of commitment, orders for discharge from the jurisdiction of the Division of Juvenile Justice to the jurisdiction of the committing court, and disciplinary appeals.

4580 - BOARD OF PAROLE HEARINGS - ADMINISTRATION

The Board of Parole Hearings - Administration program handles administrative duties in support of the Board's headquarters and field operations. The Administration is comprised of the Executive Team; the Administrative Services Division, which handles the business services functions for the Board; the Executive Analysis Unit, which develops system tools to monitor and track compliance; and the Legal Division, which provides legal support for the Board.

4585 - REHABILITATIVE PROGRAMS - ADULT EDUCATION

The objective of the Rehabilitative Programs - Adult Education program is to contribute to public safety by designing and operating education programs that enable adult incarcerated people to successfully reenter society. The Office of Correctional Education provides oversight to academic and vocational educational programs at CDCR's adult institutions. CDCR's schools are each independently accredited by the Western Association of Schools and Colleges for the purpose of providing incarcerated people a comprehensive adult education. The Office of Correctional Education develops education programs, curriculum, and policy to guide delivery of services to incarcerated people. Academic and career technical programs provide incarcerated people with an opportunity for improvement through basic education and career training. The Office of Correctional Education programs. These programs include services from basic education through college, Career Technical Education, academic assessment, court-mandated programs, physical fitness training and recreation, and general law library services.

4590 - REHABILITATIVE PROGRAMS - COGNITIVE BEHAVIORAL TREATMENT AND REENTRY SERVICES

The objective of the Rehabilitative Programs - Cognitive Behavioral Interventions and Reentry Services program is to plan, develop, implement, and monitor in-prison and reentry to community rehabilitative programs. The Office of Program Operations oversees contracted bed facilities including Community Reentry Facilities and the Community Prisoner Mother Program, and are responsible for overseeing and implementing evidence-based treatment programs to promote positive social behavior and reduce recidivism and relapse. These programs include, but are not limited to, Cognitive Behavioral Interventions including Integrated Substance Use Disorder Treatment. Additionally, the Office of Program Operations works with a variety of public and private entities to maintain this continuum of services, including the awarding of California Reentry and Enrichment grants, to community based organizations supporting in-prison rehabilitative programs.

4595 - REHABILITATIVE PROGRAMS - ADULT INMATE ACTIVITES

The Rehabilitative Programs - Adult Inmate Activities program provides incarcerated people with activities and programs such as canteen, photo project, and handicraft. Innovative grants are also provided to incarcerated people through this program to

include general grants and Victim Impact grants. These programs allow incarcerated people to productively participate in activities while incarcerated. These programs create a sense of accomplishment for incarcerated people, and some programs also provide them with opportunities for employment while incarcerated.

4600 - REHABILITATIVE PROGRAMS - ADULT ADMINISTRATION

The Rehabilitative Programs - Adult Administration program provides administrative support to CDCR's Office of Correctional Education, Office of Program Operations, and Office of Program Support. Services include program support for education and incarcerated person services, performance data management, budgets, training, personnel, procurement acquisitions, and business services for CDCR's rehabilitative programs.

4650 - MEDICAL SERVICES - ADULT

The objective of the Medical Services - Adult program is to provide medical care to the patient population consistent with adopted standards for quality and scope of services within a custodial environment. The program strives to achieve this mission by providing accessible, cost-effective, timely, and competent care consistent with constitutional standards along with promoting the patients' responsibility for their own health.

4655 - DENTAL SERVICES - ADULT

The objective of the Dental Services - Adult program is to provide dental care to the patient population consistent with adopted standards for quality and scope of services within a custodial environment. The program strives to achieve this mission by providing cost-effective, timely, and competent care. Additionally, the program promotes the patients' responsibility for their own health.

4660 - MENTAL HEALTH SERVICES - ADULT

The objective of the Mental Health Services - Adult program is to provide mental health care to the patient population consistent with adopted standards for quality and scope of services within a custodial environment. The program strives to achieve this mission by providing cost-effective, timely, and competent care. Additionally, the program promotes the patients' responsibility for their own health.

4661 - PSYCHIATRIC PROGRAM - ADULT

The Psychiatric Program - Adult was responsible for the daily care and provision of mental health treatment of the patient inmate population by providing psychiatric inpatient care to inmates at California Health Care Facility, California Medical Facility, and Salinas Valley State Prison. As part of the 2021-22 Psychiatric Inpatient Program Standardization and Integration Budget Change Proposal, the resources previously scheduled to Program 4661 were integrated into Programs 4530, 4650, and 4660.

4665 - ANCILLARY HEALTH CARE SERVICES - ADULT

The objective of the Ancillary Health Care Services - Adult program is to provide pharmaceuticals and medical supplies to the patient population consistent with adopted standards for quality and scope of services. The program strives to achieve this mission by providing cost-effective and timely access to medication and medical supplies.

4670 - DENTAL AND MENTAL HEALTH SERVICES ADMINISTRATION - ADULT

Mental Health and Dental services are provided by CDCR's Division of Health Care Services. The Statewide Mental Health Program and the Inmate Dental Services Program operate with the help of the Headquarters' Support teams, as well as dedicated Facilities staff. The Mental Health Program is also supported by the Health Care Placement Oversight Program, which provides management and oversight of Mental Health Crisis Beds.
