

### 0840 State Controller

The State Controller is the chief fiscal officer of California. Principally responsible for transparency and accountability of the state's financial resources, the Controller ensures the appropriate disbursement and tracking of taxpayer dollars. The Controller serves on dozens of state boards, commissions, and committees with duties ranging from administrative oversight of the nation's two largest public pension funds, to protection of state lands and coastlines, to modernization and financing of major infrastructure. The Controller also offers fiscal guidance to local governments and has independent auditing authority over government agencies related to the spending of state funds. The Controller's primary objectives are to:

- Account for and control disbursement of all state funds, issuing warrants in payment of the state's bills.
- Determine legality and accuracy of financial claims against the state.
- Audit state and local government programs and agencies.
- Ensure businesses report and remit unclaimed property in compliance with Unclaimed Property Law and safeguard remitted unclaimed property until claimed by the rightful owners or heirs.
- Inform the public of the state's financial condition.
- Inform the public of financial transactions of city, county, and other local governments.
- Administer the Uniform State Payroll System.
- Audit and process all personnel and payroll transactions for state civil service, state exempt employees, California State University employees, and Judicial Council employees.

reimbursement system.

Cal Employee Connect (CEC) and ConnectHR are SCO's secure web-based customer service portals for state employees and human resources staff, respectively. They were developed as interim solutions to provide some of the enhancements the California State Payroll System Project (CSPS) will deliver when completed, to support a hybrid remote workforce and make personnel and payroll transactions more efficient and paperless.

The CSPS Project was initiated to modernize the statewide human resource management, travel and business expense, and payroll systems as part of a fully integrated solution. The system should enable the state to improve management processes and fulfill its payroll, reporting, and deduction processing obligations accurately and on time.

**0500400 - UNCLAIMED PROPERTY**

The Unclaimed Property Division administers the Unclaimed Property Law by providing one central source for rightful owners to claim their property; notifying owners of their unclaimed property before it is transferred to the state; receiving unclaimed property from banks, savings and loans, insurance companies, and other businesses; and providing outreach and education for businesses holding unclaimed property.

**0500500 - DISBURSEMENTS**
