1045 Cannabis Control Appeals Panel

The Cannabis Control Appeals Panel (Panel) was established pursuant to the November 2016 voter approved Proposition 64, the Adult Use of Marijuana Act, and amended by Chapter 27, Statutes of 2017 (SB 94), the Medicinal and Adult-Use Cannabis Regulation and Safety Act. The Panel is organized under the Business, Consumer Services, and Housing Agency and consists of five members, one appointed by the Senate, one appointed by the Assembly, and three appointed by the Governor, subject to confirmation by the Senate.

The Panel provides a forum of appeal for individuals to address licensing decisions made by the Department of Cannabis Control relating to any penalty assessment, denial, transfer, condition, suspension, revocation, or other disciplinary action of annual cannabis licenses. The Panel streamlines the appeals process, and provides expertise and due process in the review of licensing decisions.

The Department of Consumer Affairs (Department) is responsible for promoting and protecting the interests of millions of California consumers by serving as a guardian and advocate for their health, safety, and economic well-being and by promoting legal and ethical standards of professional conduct. The Department helps promote good business practices and make sure California's consumers receive quality services by establishing minimal competency standards for approximately 250 professions and occupations involving more than three million professionals. The Department is also an important advocate on consumer and business issues. In general, the Department's Boards and Bureaus provide exams and licensing, enforcement, complaint resolution, and education for consumers.

In addition, the Department provides centralized services for efficiency. Specifically, Department staff investigate complaints against licensees; develop valid examinations for applicants for licensure; monitor and advocate for legislation; provide consumer education and outreach; provide legal and audit services; and provide general administrative support involving personnel, budgeting, accounting, purchasing, and space management.

There are currently 27 boards and one commission under the broad authority of the Department, and seven bureaus and one certification program under the direct oversight of the Department.
