**5225 Department of Corrections and Rehabilitation - Continued****PROGRAM DESCRIPTIONS****4500 - CORRECTIONS AND REHABILITATION ADMINISTRATION**

The objective of the Corrections and Rehabilitation Administration program is to provide policy direction, accountability, administrative oversight, and support for the overall success of all adult and juvenile correctional and rehabilitation programs. The program consists of the Office of the Secretary; Legislative Affairs; Public and Employee Communications; Internal Affairs; Audits and Court Compliance; Victim and Survivor Rights and Services; Support Services; Enterprise Information Services; Labor Relations, Regulations and Policy; Research; Legal Affairs; Leasing and Facility Management; Appeals; and the Office of the Ombudsman.

**4505 - PEACE OFFICER SELECTION AND EMPLOYEE DEVELOPMENT**

The Peace Officer Selection and Employee Development program is responsible for planning, organizing, analyzing, and managing peace officer selection through the recruitment, application, testing, background investigation, and medical/psychological screening processes. The program is also responsible for academy training and employee development for all departmental staff.

**4510 - DEPARTMENT OF JUSTICE LEGAL SERVICES**

The objective of the Department of Justice Legal Services program is to provide transparency for the cost of legal services provided by the Department of Justice to CDCR.

**4515 - JUVENILE OPERATIONS AND JUVENILE OFFENDER PROGRAMS**

The Department accepts commitments from California courts when the person to be committed meets age requirements, can materially benefit from institutional programs, and if there are adequate facilities available to care for the individual.

The objective of the Juvenile Operations and Juvenile Offender program is to operate safe and secure juvenile facilities and perform tasks related to routine day-to-day operations of the facilities and camp, including, feeding, clothing, and facility operations. In addition, this program provides staff training, incarcerated youth intake and court services, population management services, facility maintenance, and maintains incarcerated youth master files. This program currently oversees operations for three facilities and one conservation camp.

Treatment programs begin with diagnostic studies, program assignment, objective setting and progress evaluation, and post release planning for each incarcerated youth. Based on the results of this process, various counseling and evidence-based treatment programs are recommended, including mental health and other cognitive behavior programs (i.e., anger interruption therapy, sex offender treatment, general population outpatient services, and substance abuse treatment programs), camp programs, and work employability programs. These evidence-based programs are designed to promote positive social behavior and reduce recidivism and relapse.

This program will ramp down operations in the 2023-24 fiscal year given the closure of the Division of Juvenile Justice on June 30, 2023 pursuant to Chapter 337, Statutes of 2020 (SB 823) and Chapter 18, Statutes of 2021 (SB 92).

**4520 - JUVENILE ACADEMIC AND VOCATIONAL EDUCATION**

The Education Services Branch of the Division of Juvenile Justice operates as a local education agency known as the California Education Authority. Its mission is to empower each student to become a civil, responsible, employable, and knowledgeable lifelong learner for successful transition to the community upon release.

The Juvenile Academic and Vocational Education programs are accredited by the Western Association of Schools and Colleges and include core academic and career/technical preparation high school courses, general education development preparation, basic skills enhancement, and college preparation. All students must meet the California Common Core State Standards and earn the appropriate number of course credits to graduate. Supplemental services include special education, English learner services, basic skills enhancement, library services, character development courses, and high school credit for work experience.

This program will ramp down operations in the 2023-24 fiscal year given the closure of the Division of Juvenile Justice on June 30, 2023 pursuant to Chapter 337, Statutes of 2020 (SB 823) and Chapter 18, Statutes of 2021 (SB 92).

**5227 Board of State and Community Corrections**

The mission of the Board of State and Community Corrections is to provide statewide leadership, coordination, and technical assistance to promote effective state and local efforts and partnerships in California's adult and juvenile criminal justice system. This mission reflects the principle of aligning fiscal policy and correctional practices including prevention, intervention, suppression, and supervision. The goal is to promote a justice investment strategy that fits each county and is consistent with the integrated statewide goal of improved public safety through cost-effective, promising, and evidence-based strategies for managing criminal justice populations. The Board seeks to ensure that its efforts are systematically informed by experts and stakeholders with subject matter expertise.

Because the Board of State and Community Corrections' programs drive a need for infrastructure investment, the Board has a capital outlay program to support this need. For the specifics on the Board's capital outlay program see "Infrastructure Overview."

**5420 Prison Industry Authority**

The California Prison Industry Authority (CALPIA) is a self-supporting state entity operating California's correctional industries in a manner similar to private industry. CALPIA is overseen by the Prison Industry Board, which acts much like a corporate board of directors. The Board is composed of 11 members, including the Secretary of the California Department of Corrections and Rehabilitation (CDCR) or his or her designee, the Director of the Department of General Services or his or her designee, the Secretary of the California State Transportation Agency or his or her designee, two public members appointed by the Speaker of the Assembly, two public members appointed by the Senate Committee on Rules, and four members appointed by the Governor representing organized labor and industry. The Secretary of CDCR or his or her designee serves as chair of the Board.

CALPIA supports CDCR's public safety mission by providing job training programs to incarcerated individuals. These programs are to help the incarcerated individuals develop job skills, establish good work habits, and obtain basic education and job support so that when they return to their communities they can gain meaningful employment and be productive and successful. CALPIA's number one goal is rehabilitation and reducing recidivism.

CALPIA has three statutory objectives: (1) develop and operate manufacturing, agricultural, and service enterprises that provide work opportunities for incarcerated individuals under the jurisdiction of CDCR; (2) create and maintain working conditions within enterprises similar to those which prevail in private industry to assure incarcerated individuals assigned therein the opportunity to work productively to earn funds and to acquire or improve effective work habits and occupational skills; and (3) operate work programs for incarcerated individuals that are self-supporting through the generation of sufficient funds from the sale of products and services to pay all program expenses, and which provide goods and services to be used by CDCR. CALPIA receives no annual appropriation from the Legislature.
